Re: Please Refuse to Hear National Milk Producers Complaint

Dear Dr. Henny,

I recently read an article from the Associated Press where the National Milk Producers Federation has filed a complaint with your department about products such as soymilk to not be allowed to use the word "milk". To me this is an incredible waste of my tax money to help support an already overly subsidized monopoly.

I ask that you refuse to hear this request and not allow this complaint to even be considered. I am sure there are many other issues that pass by your desk that really deserve your attention.

Thank you for your time.

Sincerely,

Gina Shatas
